**Re: United States v. Luis Martinez, a/k/a "Tutuma," et al.,
24 Cr. 376 (JLR)**

Dear Judge Rochon:

The Government writes respectfully, on behalf of the parties, to request an adjournment of the conference scheduled for Wednesday, December 11, 2024, at 11:00 a.m., in the above-referenced case. The parties request an adjournment of several months to February 2024 to allow additional time for counsel to review discovery and to engage in discussions regarding potential pre-trial resolutions in this case, which are active and ongoing. The Government respectfully requests that time be excluded through the date of the next conference for the same reasons. The Government submits that an exclusion of time is in the interest of justice for the reason stated above. The Government has conferred with counsel for the defendants who have confirmed that they consent to the exclusion of time here.

The request for an adjournment of the status conference scheduled for December 11, 2024 is granted. The status conference shall be rescheduled to **February 5, 2025** at 3:00 p.m. Speedy trial time is excluded until February 5, 2025. The Court finds that the ends of justice served by excluding such time outweigh the best interests of the public and the defendants in a speedy trial because of the parties continued need to review discovery and discuss potential pretrial resolutions. **SO ORDERED.**

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
